July 30, 2018

Dear Supporter,

The Destined for a Dream Foundation is a non-profit organization. Our foundation's mission is to "inspire and empower youth and young adults through life coaching," by providing at-risk youth with opportunities that will help them believe that they hold the power to create and shape how they live as well as the choices they make. Destined for a Dream will provide projects that interest our youth and enhance them academically, socially and athletically.

This tenth (10th) season is our biggest. We currently have 100% graduation rate, 98.1% college retention, we have served over 20,000, visited over 23 colleges/universities and trade schools. Many of our students are first generational and have hopes of becoming college graduates but lack the motivation, and direction of where to start. Hard work, positive direction and dedication show us our outcomes are not only measurable, but are successful. We are excited for the future of our students.

We hope you're able to join us! You may sponsor a student or donate. In return for your sponsorship you will receive a DFAD tee-shirt, recognition on our website, as well as special recognition on our banquet program. All donations are tax deductible.

Sincerely,

**Erica Waller-Hill, M.Ed.
